Hi, Kim,

I don't know if you have heard me phone message that I left a few minutes ago, but we would still like to meet if possible tomorrow, even if Donald is not able to attend -- IF that's OK at your end. (And I am now wondering if somehow, in my message, I called Donald "Dennis" -- I had just had a lengthy meeting with someone by that name, and my mind is generally befogged and sluggish about such things). It's a lot easier for us to get out to a meeting this week than next, simply because Council is in recess this week, but not next. I'm assuming that we might be able to have some planning/prelim discussion and that Don could later review and kick in with any thoughts, ideas and concerns, be they overriding or not. Do you think that might work at your end?

Also, I heard back via email from Conrad, who was excited about meeting up tomorrow. I mentioned in my prior email that he had talked of bringing along a producer friend, and since I had asked him the name, he ended his email to me by answering, "...Maggie Rowe and she among other things has co-produced this great story telling series for 13+ years. www.sitnspin.org

Looking forward to speaking with you all tomorrow."

Anyway, please let me know if we can still meet up tomorrow, recognizing that Don's absence would be regrettable but remediable, since he could review, redress, etc., after the fact and attend a later meeting, etc.

Paul MN
